

Building Codes Workshop

Public Services Building

First Floor Conference Room

December 9, 2010

3:00 – 5:00 PM

Building Department staff will present an overview of the new codes that will become effective on January 1, 2011. This is a FREE workshop!

Staff will focus primarily on the two new California Codes: The California Residential Code and the Green Building Standards Code.

Presenters: Greg Fenton and Al Annan

Bring your code books so you can follow along!
