

Energy Upgrade California™

Contractor Participation Workshop

CONTRACTORS NEEDED for Energy-Saving Home Improvements

Join us for our next Energy Upgrade California information session to learn how to be a participating contractor!

Pacific Gas and Electric Company (PG&E) is offering attractive rebates to homeowners who use a participating contractor to install energy efficiency upgrades. To participate, the contractor must attend a Participation Workshop, submit an application, and must meet certain course, license, insurance, and certification requirements.

General event questions: contact Harry Ford at hford@bki.com
